

GREATER THINGS

PART 3: Join In

INTRODUCTION

We all want to achieve bigger and greater things in life but most of the time we feel like we're still not capable of accomplishing them. You've actually tried doing them before but you didn't even get past the first step or the entry point. It's as if you didn't have the ticket needed to access them.

There's good news because God has now upgraded your life's ticket. You now have access to the greater things in life. He's actually inviting us to join in and partner with Him in making this world a better place to live in.

10. Pray for one another for God's love, power and ability to work upon each one.

MOVING FORWARD

The future of our planet is in our hands. He has given this earth for us to rule upon. Maybe it's about time to take full dominion over this world. It's time that we allow God to rule over our whole hearts so that His power could work fully through us and we as His sons and daughters would finally be able to rule over the whole earth as He has freely given it to us.

RENEWING YOUR MIND

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen. Ephesians 3:20-21 NIV
