

GREATER THINGS

PART 4: Live Beyond

INTRODUCTION

Everybody wants to become better. We want to keep on improving in areas like skills, finances, or relationships. But there are may be areas in your life where you may feel like you're stuck and you're not making any progress. You don't have to be troubled because God is big and He is in control. He is inviting us to live beyond the ordinary life, go further and do greater things. You and I were meant to do the things that Jesus did and even greater works.

MOVING FORWARD

Jesus did good things and healed all. He expects us to do the same and He's confident that we'll be able to pull it off and even exceed what He had achieved. All we need is to believe in Him. So let's do greater things wherever we are. Let's learn to serve others and do good things to the people around us. Let's expect miracles and heal the sick everywhere we go. It's time to live beyond the ordinary and do the greater things.

RENEWING YOUR MIND

*Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. **John 14:12 NIV***
